

Warning

Rare risk of minor cuts

Tombow Pen & Pencil GmbH has found in the course of regular quality control small metal parts in an extremely small number in our sand erasers ES-512A.

MONO Sand ES-512A

MONO Sand & Rubber ES-510A

Display ER-98P

In very rare cases, users might easily injure the surface of their skin when using the erasers.

Therefore, please check your Tombow eraser regularly for any externally visible metal parts that might protrude from the eraser.

We take our responsibility for our customers very seriously and therefore also point out hazards with such a low probability. If you have any questions in this regard, please use our contact options at:
